General	These are the terms of use ("Terms") that apply to your use of this Application. Please read them
General	carefully . Use of the "A1 Eintauschbonus" Application is permitted solely based on these Terms
	of Use.  By proceeding with the use of this application (hereinafter referred to as the "Application or
	<b>App"</b> ) you agree to the Terms. The purchase of any products or services in connection with the
	use of this Application will be subject to its own terms and conditions.
Privacy Policy	This Application does not collect any personal information other than the IMEI (International
Privacy Folicy	Mobile Equipment Identity) manually entered by the customer. The Application also collects the
	make, model and capacity of the selected device and diagnostic test results that do not contain
	personal data. These data elements are processed to diagnose the device as described in A1
	EINTAUSCHBONUS Terms and Conditions and will only be processed to carry out the services
	requested by you. No special categories of personal data are processed.
	Although the App currently does not collect the following information, it does have the ability to
	do so: Location, Installed apps, apps info and performance. Should the App ever be updated to
	collect this information, or any additional data elements this notice will be updated, in accordance
	with applicable Data Protection Laws.
	The data you provide may be communicated to other companies who will act as our Data
	Processors (detailed information about our Data Processor available upon request) with which we
	have entered into data processing agreements in compliance with applicable Data Protection
	Laws. In case these companies are located outside of the European Economic Area (EEA) we will
	ensure that those companies that have access to your personal data agree to protect it from
	improper use or discloser, in accordance with data protection laws and will adopt the appropriate safeguards pursuant to applicable Data Protection Laws.
	Our data retention policies comply with all applicable laws to which we are subject. They set the
	periods which we are allowed to retain all the different types of data that we hold and are
	reviewed on a regular basis.
	We safely and securely destroy data in accordance with time limits set out in our policies.
1	When we continue to use data for statistic and research purposes, we ensure that the data is
	anonymized so that you cannot be identified by or from it anyway. Operating logs, test time and
	duration, and device diagnostic results are collected anonymously and stored for up to 24 months.
	We protect the data stored on our servers according to the current state of the art. Should there
	be a loss of data or a breach of data protection despite the high security requirements, special
	measures are in place: Technical and/or manual weak points are immediately identified and the
	errors are corrected as quickly as possible. Depending on their severity, the persons affected and
	the data protection or regulatory authority are informed. Where appropriate we use encryption
	or other security measures which we deem appropriate to protect your personal information. We
	also review our security procedures periodically to consider appropriate new technology and
	updated methods but despite our reasonable efforts, no security measure is ever perfect or
	impenetrable.  You have the right to receive information, free of charge, at any time about the data stored.
	You have the right to receive information, free of charge, at any time about the data stored concerning your person, its origin and recipients, as well as the purpose of the data processing.
	You also have the right to data transfer, restriction, correction, objection and, after expiry of legal
	periods, the deletion of your data. You also have the right to complain to the Austrian data
	protection authority (www.dsb.gv.at) or a supervisory authority within the European Union.
	If you wish to exercise any of the rights set out above, please contact us by e-mail to
	privacy@bolttech.eu.
